# The Mini Page

## Teachers

Appearing in over 500 newspapers weekly, *The Mini Page* is loved by children, parents, teachers and anyone who wants to learn a little more while having a lot of fun. *The Mini Page* runs every Tuesday in the Life Section of the *Bucks County Courier Times*. This special

4-page, pull-out section features puzzles, connect the dots, recipes, drawings and pictures to help inform your young students about a new topic every week.

Share the *Mini Page* with your students by ordering a weekly set of classroom newspapers through the NIE Sponsorship Program. Continue to use the newspapers for other in-class activities throughout the week or at the end of the day send the newspapers home with your students for the whole family to enjoy. The newspapers are offered through the NIE Sponsorship Program. There is no charge to the teachers or the school.

*The Mini Page* provides weekly information for teachers entitled *Especially for Teachers - Programs, Projects, Resources*. *The Mini Page* activities meet many state and national educational standards. Each week standards are identified that relate to *The Mini Page's* content. Additional activities are also posted to help students reach the standards.
